- Providing an adult to transport you home after surgery and an adult to be responsible for you at home for the first 24 hours after surgery.
- Indicating whether you clearly understand a contemplated course of action, and what is expected of you, and ask questions when you need further information.
- Your actions if you refuse treatment, leave the facility against the advice of the physician, and/or do not follow the physician's instructions relating to your care.
- Ensuring that the financial obligations of your healthcare are fulfilled as expediently as possible.
- Providing information about, and/or copies of any living will, power of attorney or other directive that you desire us to know about.

**Financial Disclosure**

Green Valley Surgery Center is privately owned by Helga Pizio, M.D. You, as the patient, have the right to choose the facility of your choice for health related services. Please ask the Clinical Director if you have any further questions.

**Advance Directives**

Because the scope of Green Valley Surgery Center is limited to elective outpatient surgical procedures, it is the policy of this facility, that any life-threatening situation that arises will be immediately treated with lifesustaining measures. Concurrently, the emergency medical system (EMS) will be activated for emergency patient transport to a hospital facility. The patient's right and need to be an active participant in the decision making process regarding their care is recognized and respected. Acknowledgement of this policy does not revoke or invalidate any current health care directive or health care power of attorney. If you have an executed advance directive, please bring a copy with you on the day of surgery. If you would like more information on advance directives please ask.
